Prairie Lakes Healthcare System is an independent, not-for-profit, healthcare system committed to providing high quality, affordable and compassionate healthcare services. Prairie Lakes provides services to a population of approximately 90,000 residents in northeastern South Dakota and western Minnesota. Prairie Lakes has built a solid foundation of specialty care services including interventional cardiology, cancer care, nephrology, pulmonology, urology, surgery, ear, nose & throat, emergency services and other medical specialties.

Cancer Center

401 9th Avenue NW
882-6800

This allows patients to receive advanced oncology and hematology treatments while spending valuable time with and receiving support from family and friends. The dedicated physicians and clinical staff work as a

team offering patients many levels of expertise in areas such as radiation, chemotherapy, nutrition, education, and emotional well being.

Cardiology Services

401 9th Avenue NW
882-7953

Provides both inpatient and outpatient heart care to patients 24 hours a day, 7 days a week, using state-of-the-art technology. With an onsite cath lab and a team of highly-trained clinical staff and physicians, Prairie Lakes is equipped to handle heart care emergencies. This fulfills a critical need in the region by offering immediate cardiac access and improving patient outcomes.

Caring Club House

220 9th Avenue NW
868-1868 or 882-6888

Offers a home away from home for patients, outpatients, or family members with a loved one in the hospital.

Ear, Nose, Throat and Facial Plastic Surgery Clinic

Provides care for adult and pediatric conditions, like ear infections, vertigo (balance issues), and hearing loss; nose conditions like sinus disease, nasal obstruction and nasal fractures; and throat conditions like voice disorders, snoring and thyroid disease. Facial plastic surgery is also available.

Home Connections

401 9th Ave NW
882-7841

Provides in-home services for patients who need housekeeping, errand/shopping services, personal care assistance, exercise assistance, medication management and any

other non-skilled task. Services are available from a visit to multi-hour schedule, seven days a week. A nurse case manager provides overall supervision and management.

Home Health

401 9th Ave NW
882-7745

Offers skilled level of care covered by Medicare and private insurances. RN's, physical, occupational, and speech therapy, medical social services and aides provide care in the home setting on an intermittent (not shift) visit basis. Services may be requested by phone, in writing or in person by the MD, family or patient.

Hospice

401 9th Ave NW
882-7745

A Medicare certified program that offers symptom control and hands-on care of the terminally ill person in the home, respite, and hospital/acute setting. RNs, aides, social workers, pastoral care personnel, and volunteers help the family by providing social, physical and spiritual help in the home, nursing home, assisted living, or hospital setting. The program strives to help the patient move through the end-of-life process in comfort. The program also strives to support the caregiver/family during the end-of-life process and through bereavement programs.

Nephrology Clinic

401 9th Avenue NW,
882-5455

This program provides diagnosis and management of kidney diseases and disorders including hypertension, electrolyte disturbances, managing patients with kidney transplant, and critical care. Prairie Lakes also owns

and operates three dialysis units one located in Watertown.

Pulmonology Clinic

600 4th St. NE
882-7650

This program provides diagnosis and management of diseases involving the respiratory tract, such as pneumonia, asthma, tuberculosis and emphysema. The Pulmonology Clinic is located in the Medical Arts Building.

Rehabilitation Services

882-7700
401 9th Avenue NW

This department offers physical, occupational, speech, and home therapy services as well as cardiac rehabilitation. The rehab team works with patients of all ages and abilities to achieve the highest level of function, enabling them to live more independent and productive lives.

Retail Pharmacy

882-7790

The goal of the SDNG Child & Youth Program is to support the social, emotional, and academic needs of military children and youth throughout the state. This is done through developing and implementing programs and activities that promote leadership and character development, build confidence, facilitate connection between other youth, and to help them to better understand their role as a military child. The Child and Youth Program also provides

resources and information to youth, their families, and communities, and partners with other local and national organizations serving youth as well.
