*Why case management?*

I became a case manager because I am a natural advocate for others. I consider it an honor to be entrusted in such an important role. We all have hopes and dreams; my job is to help people achieve those!

*Education/Experience:*

I graduated from Northern State University with a Bachelor of Arts degree in sociology with an emphasis in human services and criminal justice. I worked for over eight years as a Direct Support Personnel (DSP) at Aspire, Inc. in Aberdeen.

*Me at work:*

I like being organized and that includes making a daily "to do" list, but overall, I am very easy-going. I enjoy talking with people and co-workers. I like using humor and making others feel comfortable around me.

*Some of my favorite things:*

I love spending time with my family. My kids are in many activities and I enjoy supporting them any way I can! My husband and I always have a blast riding our tandem bicycle on the bike paths throughout Aberdeen. I enjoy music and I almost always have something playing. I also love to laugh, so I'm a huge Weird Al fan! Other favorites of mine include baseball (Go Twins!), bowling, brunch, Disney World, Halloween, Christmas, rainy days, and s'mores!
