

# SDPL ADVISORY BOARD APPLICATION

Thank you for applying for the SDPL Advisory Board! We're excited to learn more about you. As a member of the SDPL Advisory Board, you will have the opportunity to help lead this year's SDPL Conference and gain valuable leadership, organization, and planning skills. With your selection for the board, there is a time commitment required. We communicate frequently through email, we plan one in-person planning meeting, and will meet via Zoom a couple times as well. These meetings are typically held during the school day. We also require all board members to arrive mid-to-late afternoon on the Thursday before conference for team building and conference set up. We provide hotel rooms for board members and one advisor for that Thursday evening. All members are also required to attend the entire SDPL Conference on Friday.
